

**Product: EUGREASE CM2/S**

**Description:** CM2/S is a multipurpose lithium grease produced with synthetic bases and suitable additivation able to give the product structure an excellent resistance to oxidation, good anti-wear, anti-corrosion and anti-rust properties. Furthermore the CM2/S grease has a good adhesive power and resistance to water washing action as well as considerable mechanical stability, excellent lubricating quality and long operative temperature interval. Particularity fit the lubrication of self propelled and fixed yard –machineries and lubrication of industrial machines.

**Specification: N.L.G.I. 2**

## **Properties:**

Specifications	Test Method	Unit	Value
Color	VISUAL		Brown
Type Oil			Synthetic
Type Soap			Lithium
Drop Point	ASTM D 566	°C	190
Penetration at 25°C	ASTM D 217	dmm	280
Consistence NLGI	DIN 51818		2
